C.R. NO. 1010193

Briefly summarize the investigation describing your efforts to prove or disprove the allegation(s). Indicate whether witnesses or evidence support or do not support the allegations(s). In sustained cases ONLY, copies of the accused member=s Summary of Previous Disciplinary Actions and Record of Previous Complimentary History will be included as attachments.

This investigation involves an incident occurring on 16 October 2007 at approximately 1100 hours, at [REDACTED] S. Cregier. On 16, October 2007, this investigation was initiated by the Complainant, Assistant Deputy Superintendent, Ernest T. [REDACTED] ("Complainant"). It was alleged that PO Maurice Anderson ("Accused") made insensitive remarks to PO Sharita Lewis-Anderson ("Victim") after she was injured from falling in the marital residence.

According to the Complainant, the Victim telephoned him crying indicating that she had been hurt by the accused. Because the Complainant was having a hard time understanding the Victim on the telephone, he asked her to meet him so that the two of them could discuss the situation further. At the meeting, the Complainant noticed that the Victim's lip was swollen. The Victim indicated that she slipped and fell on the stairs while at home. According to the Complainant, the Victim stated that when the Accused noticed that she had injured herself, he made a disparaging remark about her intellect and further stated that he did not know how he could have married her. Finally, the Complainant stated that Victim denied any physical abuse and she did not want him to file a complaint register because: 1) she did not want to get the accused in trouble; and 2) she did not want her business circulated throughout the Department. (Att.4).

On 29 November 2007, at 0940 hours, the Victim gave a written and signed statement. According to the Victim, on 16 October 2007, she called the Complainant because the Accused had said something which hurt her feelings. She called the Complainant because he was a personal friend of both her and the Accused, and the Complainant had been counseling the Victim and Accused. The Victim further stated that she could not specifically remember exactly what the Accused said to her. The Victim also stated that her lip may have been a little swollen when she met with the Complainant. The Victim stated that she sustained the swollen lip when her one-year-old son was getting his hair combed. The Victim stated that while combing her son's hair, he swung his head back and hit her in the mouth. Finally, the Victim stated that the Accused has never been physically abusive to her. (Att.7).

On 14 February 2008, the Accused gave a written and signed statement with counsel present. According to the Accused, he was not in the marital residence on 16 October 2007. The Accused stated that he had moved out of the marital residence approximately two weeks prior to the alleged incident. Additionally, the Accused stated that he did not engage in a disagreement on 16 October 2007. In fact the Accused stated that he had not spoken to the Victim since he moved out of the marital residence. Finally, the accused stated that he moved out of the home because allegedly the Victim was cheating on him. (Att.12).

**CONCLUSION:**

Allegation #1: Not Sustained ---The Victim gave conflicting accounts as to how she sustained swelling to her lip: initially stating that she fell on the stairs, and later stating that her son swung his head back when she was combing his hair. Although ADS Brown initially heard the Victim say over the phone, while crying, words to the effect that "he hurt me," she ultimately never made an allegation that the accused battered her. There is a possibility that this was all due to her actually being a victim of a domestic violence; however, there is insufficient evidence to prove or disprove that an act of violence occurred or that the Accused made insensitive remarks to the Victim after she was injured.
